The "Elliott Boys" have their monthly parade to-morrow afternoon.

HAVE your cards and circulars printed at this office.

A Radical pow-wow was held at the Court House last night. It all ended in "gns."

It is rumored on the street that T. K. Sasportas has been appointed Treasurer for this County.

HELD OVER.—The publication of the Premium List of the Orangeburg Agricultural Fair is unavoidably delayed until next week.

The attention of our readers is invited to the special telegram on the N. C. elections, in another column. Our friends who want the latest news, can have it by subscribing to the Times.

SUMNER'S LETTER.—In our next issue, our readers may look for Senator Sumner's letter addressed to a committee of colored men who asked his advice as to which of the candidates they should support—Grant or Greeley.

In the course of his speech at the Radical office-seeker's meeting, one night last week, at the Court House, Jas. L. Jamison, one of the most prominent and influential Radicals in the county, said: "I esteem Horace Greeley as one of the best Republicans the world ever had (or held). * * * He is a hard working Republican."

The Young America Fire Company was out on its regular monthly parade, yesterday afternoon, on a trial of speed the run from Briggman's store to the Engine House, including throw of water, was made in 60 seconds, we heard one of the boys remark that it would have been made in 59 seconds, had it not have been for the Town Council's pea patch along the street. We don't know what he could have meant by pea patch, unless it was the rank weeds which the council permits to grow in the streets.

RELIGIOUS.—The religious services at the Methodist Church, which have been continued from night to night for the past three weeks, closed last week with a service especially for the children, by Rev. Mr. McKinny.

During the meeting, efficient service was rendered by Rev. H. A. C. Walker, Presiding Elder of Orangeburg District, and also by Revs. Seal, Kirkland, McRoy, and McKinny.

The results are a new impulse of vitality and spiritual life in the church, a number of happy conversions, and an addition to the church of five members. But all of the good resulting from this meeting may not be seen at once; for the "bread" which has been cast "upon the waters," may be found "after many days."

There are 15,000 good Templars in Glasgow.

The Prohibition party of Michigan recently held a State Convention at Lansing, and nominated State officers.

CRUMBS—Peaches were plentiful on the streets yesterday.

The Radicals had a meeting at the Court House last Monday afternoon.

The Elliott Truck House is nearly completed.

A hand-to-hand encounter took place in Court House Square yesterday afternoon. No one hurt.

Mr. Kirk Robinson has returned from his trip to the up-country.

Mr. J. W. F. Dukes is erecting a neat store on Russell Street.

Mr. W. M. Sain leaves for Kentucky in a few days, for the purpose of buying a large lot of horses and mules for the fall trade.

Monday last was a very disagreeable, wet day.

Mr. J. K. White has removed the rooms of the "Singer Machine" to one door South of Cornelson's. After an absence of some weeks, Dr. T. B. Legare has returned to Orangeburg, looking hale and hearty.

Special Notices.

PLAIN QUESTIONS FOR INVALIDS.—Have the routine medicines of the profession done you no good? Are you discouraged and miserable? If so, test the properties of the new Vegetable Specific, Dr. Walker's California Vinegar Bitters, already famous as the finest invigorant, corrective and alterative, that has ever seen the light. Dyspeptics and persons of bilious habit should keep it within reach, if they value health and ease.

WHAT EVERY HORSERMAN WANTS.—A good, cheap, reliable liniment. Such an article is Dr. Tobias' Venetian Horse Liniment. Pint bottles at one dollar. For lameness, cuts, galls, colic, sprains, &c., warranted better than any other. Sold by the druggists. Depot, 10 Park Place, New York.

BURNETT'S COCAINE.—A compound of coconut oil, &c., for the hair, has established a world wide reputation. Its natural adaptation, agreeableness, and freedom from all injurious or soiling properties, together with its cheapness in respect to durability and size of bottle, render it unequalled by any other preparation in the world. For sale by all druggists.

MADE OF THE MOOTH.—Odiferous Zoiodont renders the mouth enchanting, composed of rare antiseptic herbs, it imparts whiteness to the teeth, a delicious flower-like aroma to the breath, and preserves intact, from youth to age the teeth.

Flavoring extracts are of primary importance in cookery; and of all articles of this description the highly concentrated Standard Extracts, prepared by Joseph Burnett & Co., Boston, are pronounced by leading connoisseurs—Professors of the art—as the purest and best.

Human Wrecks.—Every day and hour we meet with broken-down specimens of humanity—wrecks that seem past hope of salvage.—At least ten-eighths of these might be filled with new vitality, by a course of Dr. Walker's California Vinegar Bitters. Many are suffering from the reaction of run-polluted livers or powerful minerals. It is characteristic of Dr. Walker's Great Restorative that it neutralizes the effect of these mis-called remedies, and accomplish in time a perfect cure.

Nature gives us Teeth, but she does not preserve and purify them. That must be done with fragrant Zoiodont. The dental bone and its enamel casing are made invulnerable to all destructive influences by the daily use of this beneficial preparation.

\$50,000 Dollars will be paid for any remedy which will cure chronic Rheumatism. Pains in the limbs, back and chest, Sore Throat, Insect Stings, croup, Dysentery, colic, Sprains and Vomiting, quicker than Dr. Tobias' Venetian Liniment; established in 1847; never fails.—Sold by all Druggists. Depot, 10 Park Place, New York.

Carbolic Salve unequalled as a healing compound. Physicians recommend it as the most wonderful remedy ever known. Price 25 cents per box. John F. Henry, sole Proprietor, 8 College Place, New York.

Christadoro's Hair Dye.—This magnificent compound is beyond contingency, the safest and most reliable dye in existence; never failing to impart to the Hair, uniformity of color, nourishment and elasticity. Manufactory, 68 Maiden Lane, New York.

Swapsia is opium purified of its sickening and poisonous qualities. It is a perfect anodyne not producing headache or constipation of the bowels, as is the case with other preparations of opium. John Farr, Chemist, New York.

Pratt's Astral Oil.—More accidents occur from using unsafe oils, than from steamboats and railroads combined. Over 200,000 families continue to burn Pratt's Astral Oil, and no accidents directly or indirectly have occurred from burning, storing or handling it. Oil House of Charles Pratt, Established 1770, New York.

T. D. Clancy & Co., Charleston, agents for South Carolina.

Just the Remedy Needed.—Thanks to Mrs. Winslow's Soothing Syrup, we have for years been relieved from sleepless nights or painful watching with poor, suffering, teething children.

THE SINGER STILL TRIUMPHANT! THE NEW FAMILY SINGER SEWING MACHINE.

WITH ATTACHMENTS FOR ALL KINDS OF WORK is fast winning favor in the household, as shown by the rapidly increasing sales. This NEW FAMILY SINGER SEWING MACHINE is capable of a range and variety of work such as was once thought impossible to perform by machinery. We claim and can show that it is the cheapest, most beautiful, delicately arranged, nicely adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlocked-stitch, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never wearying instrument may be adjusted for fine work or gauze or gossamer tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform. At the world's fair it received the great award of the highest sales! J. K. White, Agent, Office at Engine House, Orangeburg, S. C. Jun 6

THE TEMPERANCE ADVOCATE PAPER IN THE STATE.

It is the Organ of the Sons of Temperance of South Carolina, and therefore has such a circulation as to render it a desirable medium to advertise by those in who wish to reach the whole State. Hundreds who are not members of the ORDER take it. THE VERY LOW PRICE at which

THE ADVOCATE is offered places it within the reach of EVERY FAMILY in the Land.—All should take it. Parents can not be too careful in selecting reading for their children. Nothing is more injurious to the morals of the country than the trashy literature of the day.

DR. R. B. HEWITT, 34 WENTWORTH STREET, CHARLESTON, S. C.

Can be consulted on the following diseases, and diseases of a kindred nature, free of charge and in strict confidence. Charges moderate and within the reach of all. Office hours from 9 a. m. to 7 p. m. RHEUMATISM and NEURALGIA. In all arthritic complaints, as rheumatism, gout, neuralgia, etc., this practice is almost perfectly relieved—enormous swellings are reduced—limbs which have been contracted and stiff for years are relaxed. Cases of twenty thirty and forty years' standing have been cured by me, after all other means have failed. A great accomplishment if, my triumph over pain, by which I can often, in a few moments, soothe and carry off the most excruciating suffering. If this system did nothing more than to relieve pain, it would stand superior to any other system extant.

CATARRH. Stopped-up Head, Running of the Nose, constant hawking and spitting, constant Blowing of the Nose.

Thousands suffer from that most annoying disagreeable complaint—Catarrh, without knowing what it is. Often the secreted mucus flowing down the throat clogs up the lungs and lays the foundation for consumption.

The most skillful physicians fail to cure it. I cure any case of obstruction—stopped up head—discharges of greenish, thick, thin or glairy mucus from the nose, internal or external—pain or fullness between the eyes—constant blowing of the nose—inflammation of the nasal passages, pleurisy of Schneiderian membrane, etc., in the course of a few days. DEAFNESS.

Nervous Deafness, Noises in the Head, Otorrhea—Otitis (discharge from Ear), Paralysis of Auditory Nerve. I am daily treating all affections of the ear with the most gratifying results. Some who had paid artists nearly \$1,000 without benefit, have been cured by me in a few weeks at moderate expense.

MERCURIAL DISEASES. Mercury, injudiciously used, has filled the earth with wrecks of humanity. Thousands suffer from its effects who have been unconsciously drugged by their physician. It is vain to attempt the cure of the majority of diseases while it remains in the body.

Although I have heard of several so-called antidotes for mercury in the human body, I have never yet seen a physician who could eliminate it from the system. I can satisfy any patient or physician that I can absolutely extract mercury, lead, zinc, and other mineral poisons, in every case.

CANCERS. Noli-ma-Tangere, Lupine, or Wolf Cancer, Scirrhus Cancer—Fungus Cancer, Rose Cancer—Spider Cancer. I make a great specialty in the treatment of every description of cancer and tumors. How many cancers and tumors are wrongfully treated by certain Charlatans styling themselves "Cancer Doctors."

After being pronounced incurable, I will take any one of these cases in hand, and make a permanent cure. My terms for treating cancers, etc., will be based on the age and condition of the patient, and the positive certainty of cure.
